

## RENU 28® USAGE GUIDE

Age and environmental toxins can cause skin damage, resulting in wrinkles, dryness and loss of elasticity. ASEA's redox signaling technology provides critical connection and communication between cells to ensure optimal daily renewal and revitalization of your skin.

Using a proprietary process that duplicates the body's own redox signaling molecules, RENU 28 enhances cellular health from the outside in, providing a whole-body skin therapy that revitalizes your skin's health and appearance.

### INSTRUCTIONS

- Shake tube and gently apply a liberal amount of RENU 28 to cleansed skin twice daily.
- Use on face and anywhere on your body where healthier, younger and more vibrant-looking skin is desired.
- Avoid contact with eyes.

For best results, apply at least twice daily. RENU 28 can be used alone or in conjunction with other skincare products.

### RENU 28 INGREDIENTS

Water, sodium magnesium fluorosilicate, monosodium phosphate, sodium chloride
